

REGIONAL Technical Seminar

For More Chicks, Better Chicks, Lower Costs and a Greener Environment

We invite you to attend our next regional seminar to be held on Wednesday March 28, in College Station, TX.

Chick Master has done extensive research in studying embryo development as it relates to the incubation and grow out process. Topics will include: Reducing Energy Consumption, Improve Hatch Performance, Performance Enhancing Products, Ventilation Maintenance and Energy Management and Single Stage vs. Multi Stage. The Seminar will take place at the Holiday Inn Hotel & Suites : College Station-Aggieland, 2500 Earl Rudder Freeway and Hwy 6, College Station, Tx. Tel: 1-979-485-8300, Fax: 1-979-485-0535

Registration with continental breakfast will begin at 7:30 am. The seminar will start at 8:00 am and should continue until 4:30 pm. We will then have a roundtable discussion with our speakers. Please fill in the attached registration form and fax it to Chick Master at 678-771-8867 attn. Cynthia Rodriguez or call Cynthia at 678-341-9047 extension 103, or email crodriguez@chickmaster.com.

The seminar is free and includes lunch and coffee breaks.

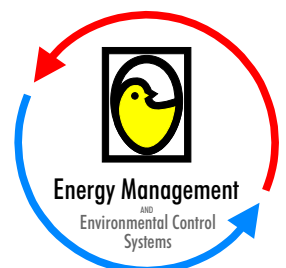

If you plan to stay at the hotel please call, or email, them directly to make your reservation and ask for the Chick Master block booking.
