# Chick Master Turkey Setting Systems

## Classic Series Multi-Stage Turkey Setter

The Multi-Stage Fixed-Rack setter for Chick Master 120 and 46 egg turkey flats is a proven system recognized for its flexibility and simplicity. It incorporates the new highly efficient Cyclomist™ humidity system that eliminates the need for compressed air.

**2 Zone Cooling**, improved ventilation, Genesis Control and reduced maintenance are a few more reasons to make this setter a classic.

Models available for  
120 (left) and 46  
Turkey egg flats

Model/Basket	Capacity (turkey)	Width	Depth	Height
C504 - 120	60,480 eggs	12'5.5" (3,798mm)	21'8" (6,604mm)	9'11" (3,030mm)
C504 - 46	69,552 eggs	12'5.5" (3,798mm)	21'8" (6,604mm)	9'11" (3,030mm)

The Classic C504 has a central access corridor that allows easy access for maintenance, cleaning and loading.

# Aida

SERIES

## Aida Series Single-Stage Turkey Setters

Chick Master Aida single-stage turkey systems guarantee optimum air flow through the eggs by placing only one trolley on each side of the paddle fan. Combined with the heavy duty central turning system that can be programmed for frequent action, Chick Master Aida setters can offer consistent and even temperatures throughout.

Aida incubators use Genesis multi-section controls that handle up to 60,480 turkey eggs, in individually controlled sections of 6 trolleys, safely and efficiently.

**Bio-secure Design:** Clear floor area allows the entire machine to be cleaned easily and efficiently after every set

Easy clean

Lightweight aluminum trolleys

Optimum airflow

Model/Tray	Capacity (turkey)	Width	Depth	Height
A18T - 120	60,480 eggs	3,440mm (11'4")	7,250mm (23'10")	2,834mm (9'4")
A18T - 46	69,552 eggs	3,440mm (11'4")	7,250mm (23'10")	2,834mm (9'4")
A12T - 120	40,320 eggs	3,440mm (11'4")	4,850mm (15'11")	2,834mm (9'4")
A12T - 46	46,368 eggs	3,440mm (11'4")	4,850mm (15'11")	2,834mm (9'4")
A8T - 120	26,880 eggs	3,440mm (11'4")	3,450mm (11'4")	2,834mm (9'4")
A8T - 46	30,912 eggs	3,440mm (11'4")	3,450mm (11'4")	2,834mm (9'4")
A6T - 120	20,160 eggs	3,440mm (11'4")	2,450mm (8'1")	2,834mm (9'4")
A6T - 46	23,184 eggs	3,440mm (11'4")	2,450mm (8'1")	2,834mm (9'4")
A4T - 120	13,440 eggs	3,440mm (11'4")	1,750mm (5'9")	2,834mm (9'4")
A4T - 46	15,456 eggs	3,440mm (11'4")	1,750mm (5'9")	2,834mm (9'4")
A2T - 120	6,720 eggs	1,995mm (6'5")	1,750mm (5'9")	2,834mm (9'4")
A2T - 46	7,728 eggs	1,995mm (6'5")	1,750mm (5'9")	2,834mm (9'4")

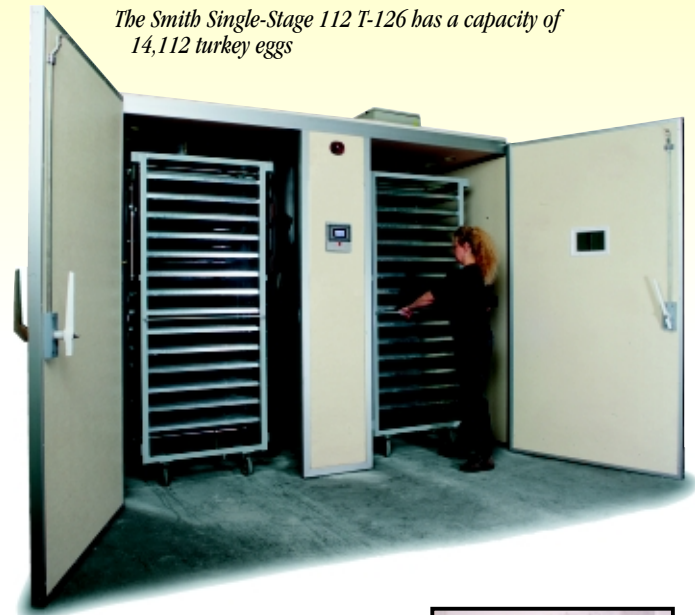

## Smith Series Single-Stage Turkey Setter

The S112T was specifically designed as a single-stage turkey incubator. It features tough aluminum pulsator blades, reversing airflow technology, separate turning cylinders on each buggy, and front-to back turning angles. The heavy duty setter buggy (left) has a dual turning axis and holds twenty eight 126 egg flats.

Smith series include many Chick Master features to make this a better choice.

*The Smith Single-Stage 112 T-126 has a capacity of 14,112 turkey eggs*

**Genesis Control:**  
Touch screen simplicity and control at your fingertips is available for all Chick Master turkey systems.

Model/Tray	Capacity (turkey)	Width	Depth	Height
S112T - 126	14,112 eggs	2,972mm (9'9")	2,693mm (8'10")	2,286mm (7'6")

## Buckeye Series Roll-In Multi-Stage Turkey Setter

The Buckeye B16T-120 has a capacity of 53,760 eggs and features a central access corridor allowing maintenance, cleaning and loading while running. The lightweight aluminum trolleys are turned with a highly efficient central turning system powered by two electric actuators, one each side of the cabinet.

Multi-bladed impeller fans mounted on bio-secure plastic fan boards above the central corridor provide an even air distribution. A compressor is not required as a small electric pump powers the Cyclomist™ humidity system and injects a fine mist into the airflow.

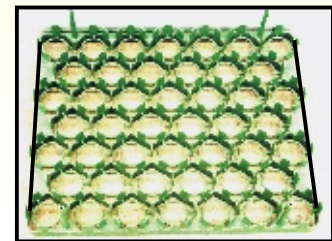

The Genesis multi-zone controls give the Buckeye system the flexibility to produce top quality poults.

*Buckeye series B16 T has a central access corridor that allow easy access for maintenance, cleaning, egg inspection and loading.*

**Aluminium trolleys:** Highly maneuverable and lightweight

**Choice of egg flats:** the 120 egg flat and the stackable 46 flat (above) are available.

Model/Tray	Capacity (turkey)	Width	Depth	Height
B16T - 120	53,760 eggs	4,100mm (13'6")	6,720 mm (24'9")	3,105mm (10'2")
B16T - 46	61,824 eggs	4,100mm (13'6")	6,720 mm (24'9")	3,105mm (10'2")
